

CHURCH NAME

We'd like to hear what you think about your church and your friendship with God.

Write your thoughts or draw pictures and decorate the postcards. There are no right or wrong answers, just tell us what you feel.

We'd like to share what you tell us with other people, so that all children and young people might have a better experience of church.

The questions on the back have been adapted from The Good Childhood Inquiry.

When you have finished, hand the postcards to your leader.
