

A Prayer for Hillsborough by Bishop James

Lord,

In Jesus you taught us to keep on praying
and urged us never to give up in our search for justice.

Comfort the families and the friends of the 96 who died
and all who feel their loss;

As they relive the trauma of the tragedy of Hillsborough
Hold them in the Love that holds their loved ones,
Still their minds to receive all that is disclosed,
And guide them in their journey of justice and truth
That peace might be our constant companion.

Amen
